

# CAMP CHEHAW

With over 750 acres of pristine natural wildlife and 200 animals in our AZA accredited Zoo, Camp Chehaw offers the perfect blend of traditional outdoor camp experiences and one of a kind animal encounters.

Campers will participate in many outdoor activities like canoeing, archery, nature hikes, survival skills, and will even sleep in a real tee pee! During this weeklong adventure, campers make behind the scenes trips into the Zoo.

Boys and girls ages 8-14 are invited to spend the week at Camp Chehaw for the experience of a lifetime!
